### Fishing

Let us take you away from the crowds and into some of the most productive trophy fishing waters in the state — all amid the Kenai's dazzling mountain scenery. Alaska Rivers Company specializes in the Upper Kenai's famous sockeye and coho salmon, Dolly Varden, and trophy rainbow trout. Rainbows are carefully handled, photographed and released. We supply all the equipment and gear you need. Fly fishing enthusiasts are welcome.

**Half-Day (4-hr) Fishing** Our guides will get you into plenty of productive water as you drift fish with stops at key locations for bank fishing and a delicious streamside snack.

**Full-Day (7-hr) Fishing** Savor this fishing paradise with a full day on the river. You'll have more time in the best spots and get a chance to work the backwaters and gravel bars that make this river an angler's dream. Plus, you'll enjoy a satisfying lunch and take home memories to last a lifetime.

**Canyon All-Day (8-hr) Fishing** Add the thrill of the Kenai Canyon to your full-day adventure. You'll enjoy a full hearty lunch in the pristine canyon plus eight more miles of river that gets less fishing pressure - and delivers more frequent wildlife sightings.
